

## REMOVED APPLICANT REQUEST FOR RECONSIDERATION (MULTIPLE APPLICATIONS)

Under title 2, section 60844, subdivision (a)(1) of the California Code of Regulations, submitting more than one application during either Phase I or Phase II of the application process is grounds for removing an applicant from the applicant pool. Therefore, you can no longer be considered for selection to the commission.

If you believe there are compelling circumstances that justify reversal of this determination, you may seek reconsideration. To request reconsideration, you must complete this form and submit it to the Bureau of State Audits within 10 days of receiving this notice. Upon receiving the information provided in the form, we will evaluate your request and notify you as to whether you will be allowed to regain your eligibility for participating in the selection process.

Please provide the following information and submit it to the Bureau of State Audits by e-mail, facsimile, or delivery to the address stated at the bottom of this form. This form must be received by the bureau no later than February 27.

Name: George Hague

Explanation of compelling circumstances: an error was made on the first application. I have been a registered democrat for forty years and have never changed parties. I submitted a revised application when I saw the error.
